The "Picture Weave" Afghan and Wall Hangings are customized using your photo. When you order this, you have two ways of processing this request:

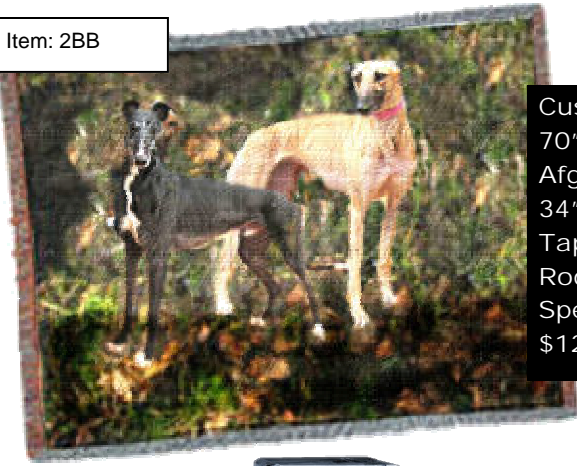

1. You receive a Certificate Number that instructs you to upload your photo directly to the Picture Weave website.
2. In the event you may need some digital imaging assistance to create a final image more desirable than the original, you can email the image or send the actual photo to us with a vision of the final image. There is a extra imaging fee of \$29/hr. Most images can be fully customized in an hour.

Purchases will help support your Grey Rescue Organization as a 10 percent donation of the purchase price.

Julius Creek Imaging specializes in custom digital imaging that result in one-of-kind images used to create Quality Fine Art Tapestry Wall Hangings, Afghans, Apparel, and various other items.

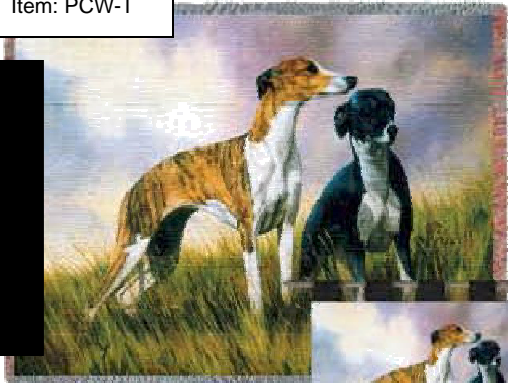

As a lover of Greys, it is my pleasure to offer pieces of original and creative art that depict the distinct beauty and grace of Greyhounds. Contact me about commissioning a creative unique customized piece for your family or even your Greyhound Rescue Organization. Send a few sample photos, a few ideas, and I will consult with you on a final product. Purchases will help support your Grey Rescue Organization by a donation of 10 percent.
